

NYSRS Executive Committee Meeting: April 1, 2011

Resident and Fellow Section Report

Future Events:

2011 ACR AMCLC, May 14-18, 2011 – Hilton Washington Hotel

NYS resident participation at the 2010 AMCLC was at an all-time high with 20 residents in attendance. All NYS program coordinators, program directors, and chief residents have been contacted by e-mail in the past weeks encouraging the participation of their residents. We will continue to urge resident participation in the coming weeks up until the AMCLC.

NYSRS RFS 2011 Summer Social

Venue and date TBA. Likely near the end of July 2011.

18th Annual Radiology Resident Career Workshop and Dinner

Likely November 2011 at Rockefeller Research Laboratories.

Other Items:

ACR Resident Membership

All New York State Radiology Residency program coordinators were contacted to survey if their residents are annually registered for free ACR membership. Information was also provided on how their residents may become registered. Response rates were low (8 of 26 programs), however the ACR was also contacted, which provided 2011 NYS membership information:

685 total residents on the ACR list for NYS

-563 Diagnostic Radiology

-10 Nuclear Medicine

-76 Radiation Oncology

-36 Unknowns (unknown programs or non-NYS programs)

-All 26 NYS radiology residencies were accounted for

-E-mail addresses were provided for approximately 50%

Legislative Advocacy

Jonathan Flug contacted all chief residents as well as residents and fellows on the NYSRS RFS mailing list in an effort to support Governor Cuomo's Medicaid Redesign Team's proposed cap on noneconomic damages. Residents were encouraged to contact their representatives via a MSSNY Grassroots website, as well as to pass the message along to their colleagues.
